Clay

Design Gino Carollo

Nasce dal desiderio di valorizzare materiali naturali come l'argilla. La sua base, interamente realizzata in ceramica con finitura smalto, è disponibile in diverse colorazioni e texture ricercate. Il top in vetro cotto mette in evidenza la base scultorea, composta da due elementi voluminosi e simmetrici, ruotati di 180 gradi per creare una presenza dinamica e avvolgente. Clay è un pezzo d'arte funzionale, capace di incantare da ogni angolazione con i suoi affascinanti giochi di luci ed ombre, trasformando gli spazi in luoghi di stile e carattere.

This item stems from a desire to enhance natural materials such as clay. The base, made entirely of ceramic with an enamel finish, is available in different colours and sophisticated textures. The cast glass top highlights the sculpted base, which consists of two voluminous, symmetric elements rotated at 180° to create a dynamic, captivating presence. Clay is a functional work of art capable of enchanting from every angle with its fascinating plays of light and shadow, making each room a place with style and character.

Cinnamon

Design Gino Carollo

Tecnologia avanzata e design ricercato si incontrano per trasformare il vetro in un elemento fluido e armonioso in ogni dettaglio. Le basi in vetro cotto curvo richiamano la sinuosità e l'essenza avvolgente della cannella, conferendo al tavolo Cinnamon un carattere distintivo e scultoreo.

La sinergia tra forma e colore crea un'esperienza sensoriale capace di coinvolgere e affascinare. Il piano in vetro si distingue per il bordo affusolato e piegato che invita alla seduta e accoglie con comfort e leggerezza.

Advanced technology and a sophisticated design come together, turning glass into a fluid element with harmonious details. The curved cast glass bases echo the sinuousness and captivating essence of cinnamon, giving this table a distinctive, sculptural character.

The synergy between shape and colour creates a sensory experience full of enchantment and fascination. The glass top stands out for its tapered and folded edge, which invites us to sit and be wrapped in comfort and lightness.

Velombra

Design Gino Carollo

La contrapposizione materica nel tavolo Velombra è un elemento distintivo che ne esalta estetica e struttura. La base in vetro cotto, con le sue forme sinuose e trasparenti, trasmette leggerezza e fluidità, creando affascinanti giochi di luce e riflessi che amplificano la percezione dello spazio. Il piano, disponibile in legno con bordo a saponetta o in marmo, offre una presenza solida e materica, conferendo stabilità e carattere al design.

L'interazione tra materiali dalle caratteristiche complementari dona al tavolo un dinamismo unico, instaurando un dialogo armonioso in cui trasparenza e densità si fondono.

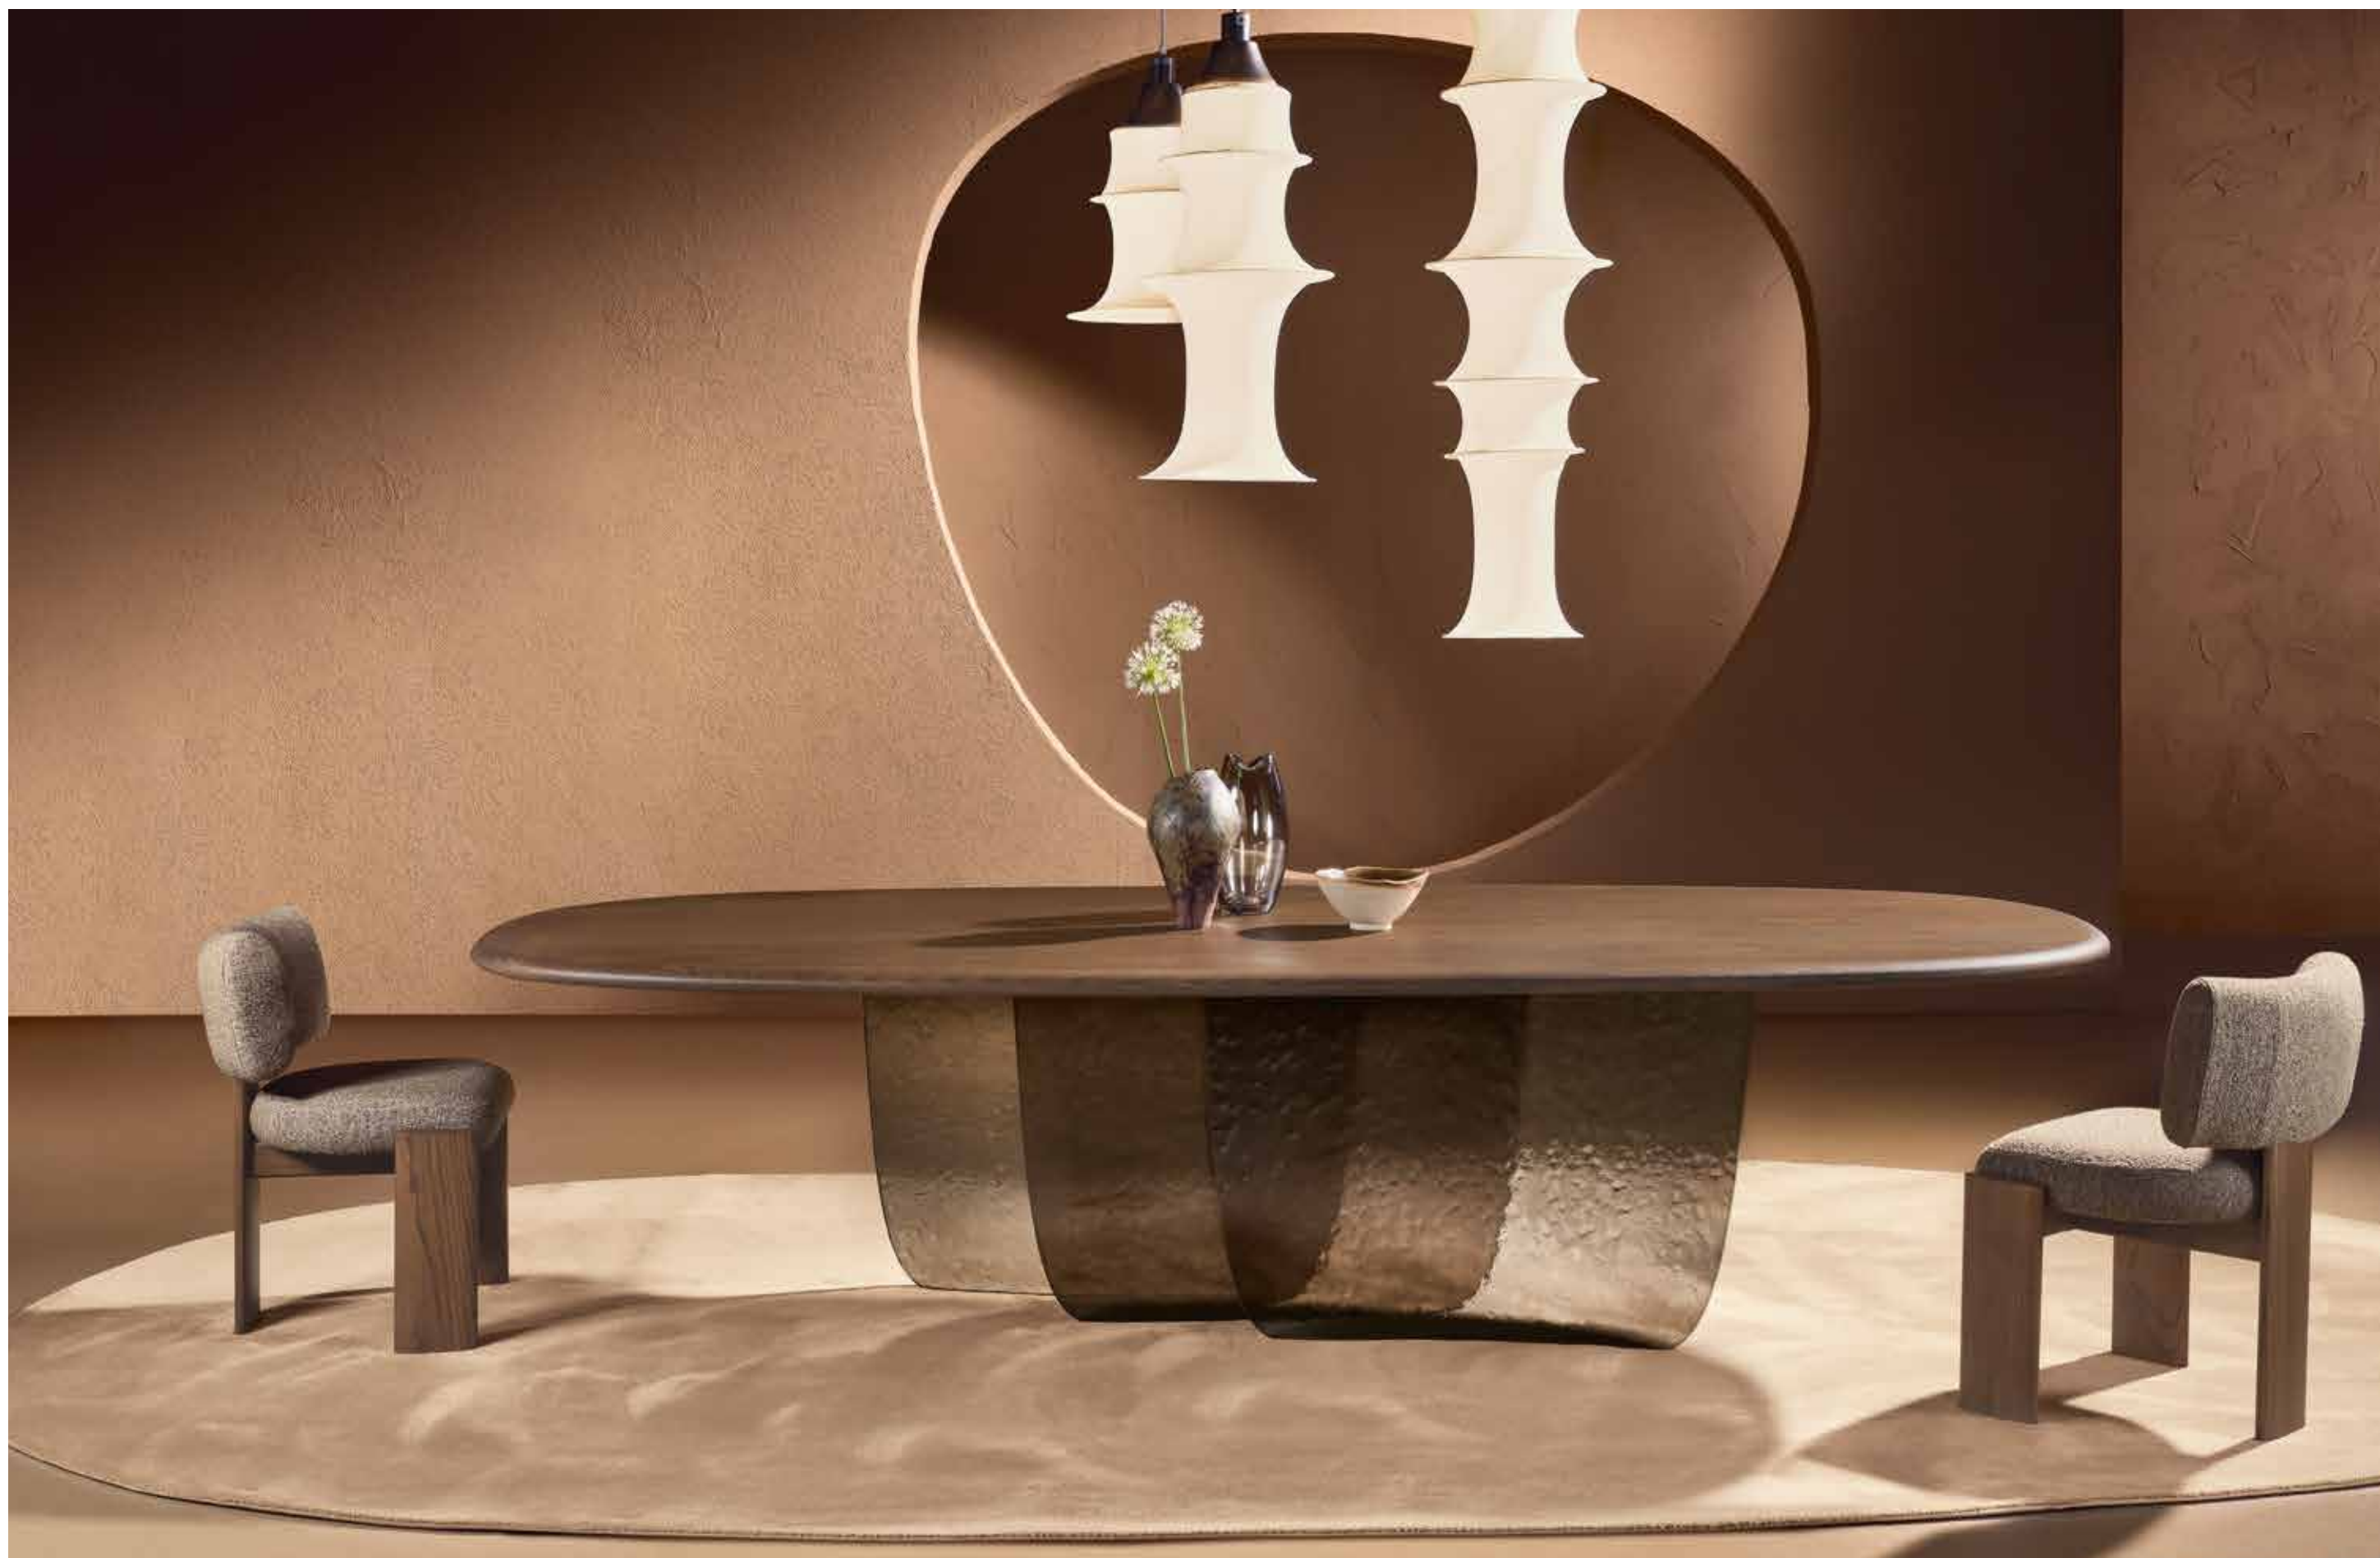

The material contrast in the Velombra table is a distinctive element that highlights its appearance and structure. The cast glass base, with its sinuous, transparent shapes, conveys lightness and fluidity, creating fascinating plays of light and reflections that amplify the perception of the space. The top, available in wood with a slope edge or in marble, creates a solid, material presence, giving the design stability and character.

The interaction between materials with complementary characteristics imbues the table with unique dynamics, initiating a harmonious dialogue that blends transparency and density.

Blur

Design Gino Carollo

La delicatezza delle curve e le forme morbide del tavolo Blur infondono un senso di fluidità alla sua immagine, che crea suggestivi effetti luminosi, grazie alla texture del vetro cotto, che permette alla luce di filtrare animando l'ambiente circostante. La base e il piano in vetro cotto sono disponibili in diverse varianti cromatiche, nasce così una geometria armonica fatta di scie di luce e colore.

The delicate curves and soft lines of the Blur table instil a sense of fluidity, creating suggestive luminous effects due to the textured glass, which allows light to filter through, enlivening the surrounding environment. The base and textured cast glass top are available in different colours, leading to a harmonious blend of light and colours.

Balance

Design Gino Carollo

Linee morbide e scultoree plasmano il tavolo Balance. Il basamento è composto da moduli sinuosi simmetrici che ruotati di 180 gradi si incastrano e plasmano l'un l'altro creando un caleidoscopico gioco di luci ed ombre.

Vaste scelte cromatiche e materiche, come legno, marmo e finitura materica permettono di dare vita ad oggetti distintivi capaci di elevare il dining contemporaneo.

Soft, sculptural lines shape the Balance table. The base is composed of symmetric sinuous modules rotated 180° that dovetail and shape each other, creating a kaleidoscopic play of light and shadow.

Tribe Stone

Design Studio28

Le linee morbide e scultoree del tavolo Tribe Stone, sottolineate dalla base in marmo, richiamano l'arte e la cultura tribale, evocando sensazioni di robustezza in contrapposizione alla leggerezza del piano in vetro o vetro cotto. Il dinamismo di questo arredo unico nel suo genere ci porta con la mente ad un mondo antico e misterioso.

The soft, sculpted lines of the Tribe Stone table, enhanced by the marble base, recall tribal art and culture, evoking a feeling of robustness in contrast to the lightness of the glass or textured glass top. The dynamics of this unique item of furniture carries our minds away to an ancient and mysterious world.

Tribe Onyx

Design Studio28

A partire dalle forme scultoree del tavolo Tribe Stone, espressione di un design che unisce forza plastica ed equilibrio formale, prende vita una versione ancora più ricca e preziosa. In questa nuova interpretazione, il basamento si veste di onice, una pietra nobile e affascinante. Le sue trasparenze e venature naturali donano al tavolo un'aura luminosa e sofisticata, esaltandone la presenza scenica e trasformandolo in un vero oggetto d'arte, rendendo ogni pezzo unico e irripetibile.

Starting with the sculpted shapes of the Tribe Stone table, an expression of design combining plastic strength and formal balance, an even finer and richer version takes shape. In this new interpretation, the base is covered in onyx, a magnificent, fascinating stone. Its transparency and natural veins give the table a bright, sophisticated aura, highlighting its scenic presence and making it a true work of art. Each item is unique and one of a kind.

Lymph

Design Studio28

Le forme amorphe ed organiche del tavolo Lymph evocano l'immagine di elementi naturali e richiamano una sensazione di pura fluidità, aggiungendo un tocco di naturalezza all'ambiente circostante. Le finiture proposte, con basi in legno, marmo e piano in marmo, legno o ceramica, mettono in risalto l'aspetto artistico-decorativo di questo tavolo, in cui il gioco di styling fra le basi e il piano personalizzabili rende ogni sua versione un interprete iconico della casa.

The amorphous, organic shapes of the Lymph table evoke an image of natural elements and recall a sense of pure fluidity, adding a touch of naturalness to the surrounding environment.

The finishes, with marble, wood and marble, wood, or ceramic top highlight the artistic/decorative aspect of this table, in which the play in styling between the bases and custom top make each version an iconic interpreter of the design house.

Dolmen

Design Gino Carollo

La madia Dolmen si distingue per la sua essenzialità nei volumi, enfatizzata dal design della monolitica base in legno. Le linee arrotondate e sagomate delle ante in legno conferiscono un carattere deciso e un potere evocativo. L'alternanza tra linee rette e curvilinee delle ante crea un ritmo variabile, esaltando le sfumature cromatiche e le profondità chiaroscurali. Il piano, disponibile in marmo, legno o ceramica, rende questa madia facilmente integrabile in qualsiasi ambiente domestico.

The Dolmen sideboard stands out for its essential volumes, enhanced by the design of the solid wooden base. The rounded, profiled lines of the wooden doors lend a decided character and evocative power. The alternation of straight and curved lines of the doors creates a variable rhythm, enhancing the colours and chiaroscuro depth. The top, available in marble, wood, or ceramic, allows this sideboard to integrate easily in any domestic environment.

Litha Lounge

Design Studio28

Litha Lounge ridefinisce il concetto di mobile per il living, sfidando gli schemi convenzionali con un design fluido e avvolgente. Le sue forme sinuose e morbide si estendono armoniosamente alle ante scorrevoli, al basamento e al top, offrendo un'estetica inedita e sofisticata.

Tutta la struttura presenta bordi sapientemente smussati a saponetta, che conferiscono una morbidezza tattile e visiva. L'optional del top in marmo crea una raffinata fusione tra marmo e legno massello, impreziosendo ulteriormente il mobile e valorizzando la zona giorno.

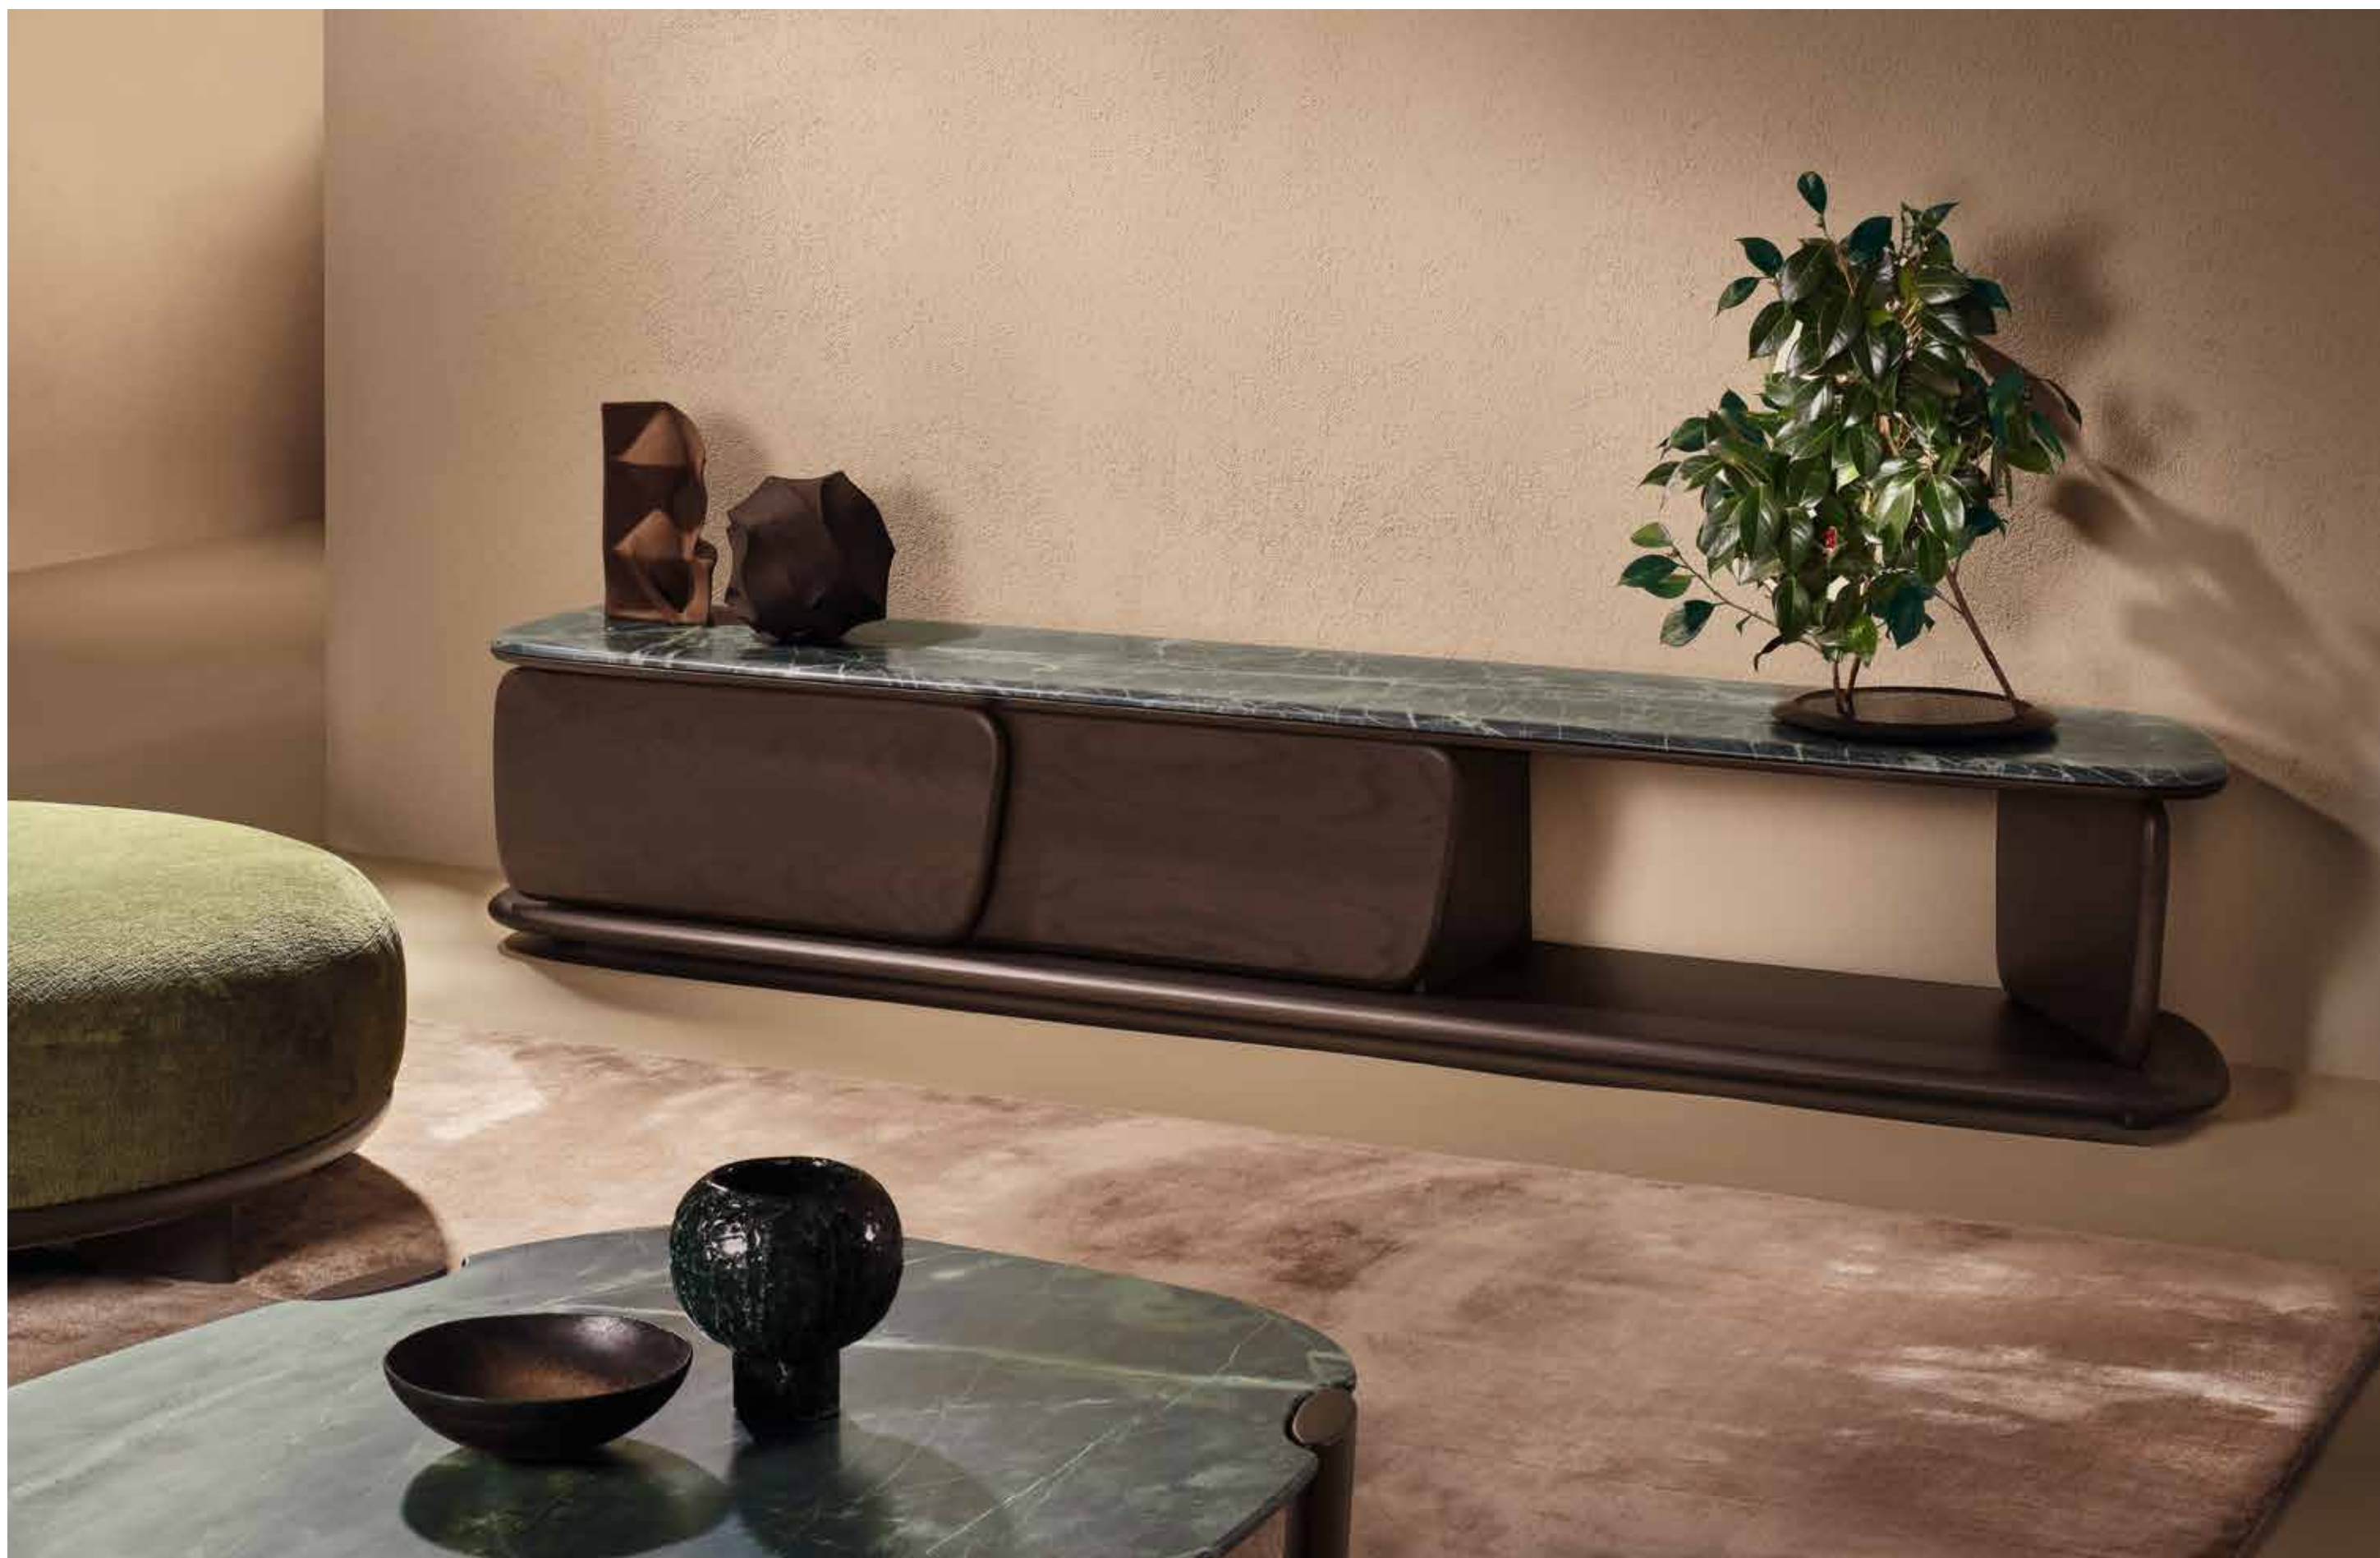

Litha Lounge redefines the concept of living room furniture, challenging conventional ideas with a fluid, captivating design. Its soft, sinuous shapes extend harmoniously to the sliding doors, base, and top, presenting an original and sophisticated appearance.

The entire structure has skilfully sloped edges that give the table a tactile and visual softness. The optional marble top creates a refined blend of marble and solid wood, further embellishing the item and enhancing the living area.

Inlay

Design Gino Carollo

Dal design lineare e senza tempo, la libreria Inlay si distingue per le sue forme armoniose e i bordi smussati, che ne sottolineano la maestria artigianale. I tre montanti in legno massello a sezione ellittica plasmano le mensole, dando vita a un incastro fluido e sofisticato. Una ricca selezione di finiture e materiali, che spazia dal vetro cotto al legno massello, crea contrasti unici di texture e affascinanti giochi di riflessi.

Disponibile in diverse altezze, la libreria Inlay si integra con versatilità in ogni contesto, dall'ampio living alla sala da pranzo, fino a diventare un elemento distintivo per arricchire l'ingresso.

With a linear, timeless design, the Inlay bookcase stands out for its harmonious shape and soft edges, underlining its artisan mastery. The three solid wood uprights with elliptical cross section shape the shelves, breathing life into the fluid and sophisticated joints. A rich selection of finishes and materials ranging from cast glass to solid wood creates unique contrasts in textures and fascinating reflections. Available in different heights, the Inlay bookcase is versatile, fitting into every context, from the living room to the dining room, or becoming a distinctive element to enrich the entrance.

Nook

Design Gino Carollo

L'idea alla base della libreria Nook è quella di giocare con le forme e accostare moduli differenti per creare effetti visivi diversi. È possibile configurarla con tre moduli di diversa dimensione, che permettono di realizzare dinamiche composizioni. Le linee armoniche ed arrotondate la rendono perfetta anche per un utilizzo al centro stanza, come libreria divisoria da open space. Una libreria totalmente in legno dal carattere deciso ed evocativo che completa l'ambiente come un oggetto di arredo.

The basic idea of the Nook bookcase is to play with shapes and combine different modules to create various visual effects. It can be configured with three modules of different sizes, leading to dynamic compositions. The harmonious, rounded lines of the bookcase also make it perfect for use in the middle of the room, such as a divider for open spaces.

This solid wood bookcase has a decidedly evocative character that rounds out any environment like a decorative item.

Stem

Design Gino Carollo

La libreria Stem utilizza elementi versatili, estetici e funzionali, che ne ampliano l'offerta compositiva, a montanti in legno massello, che generano spazi da vivere in assoluta libertà. Può essere utilizzata a parete o a centro stanza, nella versione lineare o arrotondata, definendo gli ambienti in modo leggero con eleganza e ricercatezza. Mensole in vetro o legno e contenitori in legno arricchiscono le composizioni, dando accesso a soluzioni di storage aggiuntive, che conferiscono alla libreria maggiore funzionalità.

The Stem bookcase uses versatile, aesthetic, functional elements that expand its compositional range, with wooden uprights that create spaces to experience in absolute freedom. It can be used against a wall or in the middle of the room in its linear or rounded version, lightly defining environments with elegance and sophistication. Glass or wooden shelves and wooden containers enhance the compositions, leading to additional storage solutions and giving the bookcase greater functionality.

Sail Console

Design Gino Carollo

La consolle Sail nasce da un'idea estetica e costruttiva ispirata alle vele spiegate, evocando leggerezza e movimento. Le basi sottili e leggere valorizzano il piano, che appare sospeso nello spazio, creando un affascinante contrasto con la combinazione di curve e angoli dal carattere deciso e innovativo. La struttura in metallo trattato, abbinata al piano in marmo, conferisce solidità e presenza, esaltando il design dinamico e sofisticato.

The Sail Console draws on an aesthetic and constructive idea inspired by unfurled sails, evoking lightness and movement. The thin, light bases enhance the top, which seems to be suspended in space, creating a fascinating contrast with the combination of curves and corners for a decided, innovative character. The treated metal structure, paired with a top made of wood, ceramic, or marble, confers solidity and a strong presence, emphasizing the dynamic and sophisticated design.

Lymph Beauty

Design Gino Carollo

Lymph Beauty è un raffinato elemento d'arredo che incarna l'eleganza e la fluidità della collezione Lymph. La consolle, caratterizzata da un piano dalla forma organica, in marmo, si distingue per il suo design armonioso e sofisticato. Il piano è sorretto da una colonna scultorea, proposta in legno, materico e luxor. A impreziosire ulteriormente Lymph Beauty troviamo un sofisticato specchio in ottone, che dona un tocco di calore e raffinatezza.

Lymph Beauty is a refined piece of furniture that embodies the elegance and fluidity of the Lymph collection. The console, featuring a top with an organic shape available in wood or marble, stands out for its harmonious, sophisticated design. Dune Dog Bed

Design Gino Carollo

Concepito come un avvolgente e soffice abbraccio nel quale il tuo amico a quattro zampe può rifugiarsi in ogni momento della giornata, la cuccia Dune si distingue per le sue forme morbide e tondeggianti, che le conferiscono un'aura di armonia e bellezza ispirata dalla natura stessa. La struttura in legno dona solidità e raffinatezza integrandosi armoniosamente in ogni ambiente. Alla cuccia si affiancano le ciotole Bubble, realizzate in ceramica, che con le loro forme fluide e sinuose evocano morbidezza e leggerezza, mentre il design ad incastro perfetto trasforma il set in un unico elemento visivo.

Designed as a soft, embracing place where your four-legged friend can rest at any moment of the day, the Dune Dog Bed stands out for its soft, rounded shapes, giving it an aura of harmony and beauty inspired by nature. The wooden structure conveys solidity and refinement, harmoniously fitting into any space. The dog bed is accompanied by the ceramic Bubble bowls, whose fluid, sinuous shape evokes softness and lightness, while its perfect nesting design makes the set a unique visual element.
